

Installing & Configuring Windows Server 2012 MS20410D

5 Day Microsoft Official Course

OVERVIEW

This 5 day hands-on course is intended for delegates who have some experience working with Windows Server and are looking to learn about installing and configuring Windows Server 2012/14. This is part 1 in a series of 3 courses that provides the skill and knowledge necessary to implement a core Windows Server 2012 infrastructure in an existing enterprise environment.

This course is divided into 12 modules, each having the support from several labs. Microsoft courseware can be downloaded onto personal devices to accompany this instruction.

KEY FEATURES:

Deploying and Managing Windows Server 2012/14
Introduction to Active Directory Domain Services
Managing Active Directory Domain Services Objects
Automating Active Directory Domain Services Administration
Implementing IPv4
Implementing Dynamic Host Configuration Protocol
Implementing DNS & IPv6
Implementing Local Storage
Implementing File and Print Services
Implementing Group Policy
Securing Windows Servers Using Group Policy Objects
Implementing Server Virtualization with Hyper-V

This course provides the underpinning knowledge for Exam 70-410. This should be booked later, through www.pearsonvue.co.uk

AUDIENCE

This course is designed for IT professionals who are relatively new to Windows Server administration or have some experience and wish to understand how to install and configure Windows Server 2012.

OBJECTIVES

After completion of this course, delegates should be able to:

- Describe virtualisation technologies
- Implement Hyper-V
- Manage virtual machine storage
- Manage virtual networks

PRE-REQUISITES

This course requires an understanding of networking fundamentals; of basic AD DS concepts; an awareness & understanding of security best practices; basic knowledge of server hardware; experience working with, and configuring, Windows client operating systems, such as Windows 7 or Windows 8.

LEVEL: IT Professional

COURSE FEE: £2,195.00 per person (includes course notes & refreshments)
