

MSP® Managing Successful Programmes

Foundation & Practitioner Certificates

5 day duration

OVERVIEW

MSP® is internationally recognised as the best practice management methodology providing the skills needed to confidently manage programmes in line with strategic aims of a business and its day to day operations. It gives a structure which will help them towards delivering the outcomes to ensure successful programme delivery and business benefits. It brings together related projects to manage their inter-dependencies.

The event is a mix of input and practical sessions, delivered by an MSP® qualified trainer with practical experience of programme and project management.
